COMPETITION FORMATS

There are various ways to play each format. Below are the versions played here at Pine Rivers Golf Club

Foursomes - Honour Board Event played from Blue Markers over 18 holes.

Select which player will Tee off from either odd or even holes, then play alternate shots with that ball until hole completion. Handicap allowance is 3/8 of combined handicaps.

Mixed Foursomes - Honour Board Event played from Blue Markers for men and Red Markers for ladies over 18 holes.

Select which player will Tee off from either odd or even holes, then play alternate shots with that ball until hole completion. Handicap allowance is 3/8 of combined handicaps.

Canadian Foursomes - Honour Board Event played from Blue Markers over 18 holes.

Both players hit off all tees, then decide which ball they will play. The player whose ball is chosen then takes the second shot, and they then play alternate shots with that ball until holed out. Handicap allowance is 3/8 of combined handicaps.

Chapman Foursomes - Honour Board Event played from Blue Markers over 18 holes.

Both players hit off all tees, then each player plays their second shot with her/his own ball. Players then decide which ball they will play. The player whose ball was NOT selected then plays the third shot and they then play alternate shots with that ball until holed out. Handicap allowance is 3/8 of combined handicaps.

American Foursomes - Honour Board Event played from Blue Markers over 18 holes.

Is the same as Chapman foursomes except that the players cross over and play the second shot with their partner's ball before deciding. Handicap allowance is 3/8 of combined handicaps.

Ambrose

This is played as a team with every player teeing off. The best ball is selected, and the other team members place within one club length, and all hit again. This is repeated until reaching the green, where the best ball is selected and marked, and the other team members place their ball within one club length. Repeat until holed out.

4 ball Ambrose at least 3 tee shots must be used from each player.

2 ball Ambrose at least 6 tee shots must be used from each player.

Single Par

This event is played against the par of the course. Full handicap. The handicap is deducted from the score recorded. If above par result is -; if equal to par result is square; if below par result is +; the card with the highest + rating wins.

Bisque Par

Scoring in this is the same as Par but with strokes being taken where chosen, rather than by index. Any number of strokes may be used on any hole, **at the conclusion of each hole**, until the total allowable strokes are used.

Bisque Bogey

Scoring in this is the same as Par but with strokes being taken chosen, rather than by index. Any number of strokes may be used on any hole until the total allowable strokes are used but, **strokes must be allocated before teeing off each hole** until the total allowable strokes are used.

Stableford

Stableford involves scoring points based on results at each hole. The index of every hole indicates what holes you are allowed additional shots you can take, in relation to your handicap, to score points. For example, players with a handicap of 16 will receive an additional shot to make par on every hole that has an index from 1-16.

The points scoring method is then calculated by allocating two points for a par, one point for one over, three points for one under, four points for two under and so on. Players who exceed their own par by two strokes score no points for the hole and should pick up their ball.

Team Stableford

Best 3 scores out of 4 to count on each hole.

Four-Ball Aggregate Stableford

Both stable ford scores are added together on each hole

PRGC SKINS

This is a Stableford event, played off you GA Handicap. Played over 7 rounds your 5 best scores are added together. The highest 4 scores play off for the major prize pool. The next 4 highest scores play off for the Minor Prize pool. The finals are played where each hole is worth a set amount of prize money. The winner of the hole takes the prize. Should the hole be drawn the prize money adds to the value of the next hole. There are also additional NTP holes as well.

Hammerich's Cup

This is a Stableford event played over 17 rounds. Your 10 best rounds are selected to give your final total of points. The top 20 players contest the Final. Depending on where you finish you will start the final with an allotment of points.

1st position = 7 points

2nd position = 5 points

3rd position = 3 points

4th position = 2 point

5th – 8th position = 1 point

9th – 20th position = 0 points

Ironman

Free entry open to all competing on Saturday Monthly Medal events over a calendar year. All monthly medals required to be played to be eligible and winner is best Gross and Nett scores over the 12 rounds played.

Monthly Medal

The first Saturday of Every Month is the Monthly Medal event. This is a stroke play event with winners for overall lowest Gross Score, Overall, Men's Nett and Overall Ladies Nett.

Medal of Medals

All Monthly medal winners qualify for the Medal of Medals event. The winner on the day of the event is for Lowest Gross score, Men's Nett Winner, and Ladies Nett winner
